- A strong commitment to the goals, mission, and philosophy of the organization.
- Ability to adapt to changing organizational needs.

Merrimack Special Education Collaborative (MSEC) is a Massachusetts Department of Education approved public school entity that is a division of Merrimack Education Center, an Education Service Agency. MSEC provides high quality academic, therapeutic and vocational services to individuals referred by local school districts and social service agencies. MSEC also provides ongoing professional development and training experiences for educators and educational agencies. Recognizing that the educational environment rapidly changes, MSEC creates, adapts, and provides flexible programming to address these evolving needs.
